EBSCON 2024

Updates in Endocrine and Breast Surgery
Controversies to Consensus

Under the aegis of Endocrine and Breast Surgery Foundation.

6TH & 7TH
DECEMBER 2024

Division of Endocrine and Breast Surgery,
Department of Surgery, PGIMER, Chandigarh.

Welcome Message

Dear Esteemed Faculty, Practitioners, Experts and Trainees

It is an honour and privilege to welcome you all to EBSCON 2024, being organized in the picturesque city of Chandigarh designed by the world famous Swiss-French architect Le Corbusier interspersed with lush foliage and lakes.

The Endocrine and Breast surgery foundation was established in 2024 with a vision to enhance knowledge, and skills for improving the standard of patient care in the region with a scientific fervour.

It is a matter of proud that IAES, with Dr. Anjali Mishra as president and Dr. Pooja Ramakant as honorary secretary, and ABSI, led by president Dr. Vijay Devanhalli and honorary secretary Dr. Rohit Kumar C, are pleased to collaborate with EBS Foundation to promote excellence in the field of endocrine and breast surgery. This partnership aims to advance research, education, and professional development, fostering an integrated approach to patient care and surgical expertise. IAES and ABSI have agreed to conduct EBSCON 2024 under the banner of IAES and ABSI.

The theme of EBSCON 2024 is "Updates in Endocrine and Breast Surgery, Controversies to Consensus" and is scheduled for the 6th and 7th of December, 2024. This academic colloquium shall incorporate presentations from invited national and international faculty and experts from reputed institutes which shall offer delegates an excellent academic experience by providing unified scientific sessions for exchange of experiential dialogue and advanced innovative research.

Highlights of this conference shall be recent advances and controversies in the field of endocrine and breast disorders conveyed through modalities of invited lectures, panel discussions, surgical videos, session on diabetic foot care and a competitive poster session.

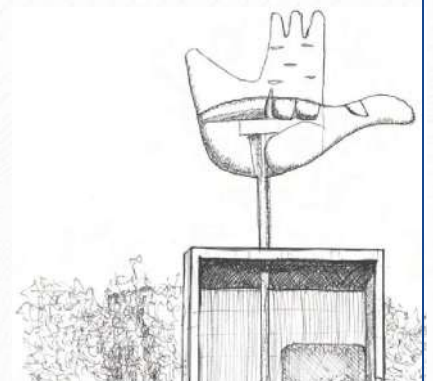

On behalf of the Endocrine and Breast Surgery Foundation, I extend a warm welcome to all delegates and faculty. Your participation and contribution shall make EBSCON 2024 a truly memorable academic event.

EBSCON 2024 also offers an opportunity to spend quality time with your family during the weekend amidst clement weather against a backdrop of scenic surroundings.

With Best wishes and Warm regards,

Prof. Divya Dahiya

(Organizing Chairperson)
